

## IFMA MEMBERSHIP PRICING ADJUSTMENT FAQS

### **What change is being made and who will be impacted?**

Beginning Oct. 1, 2018, the base rate for Tier 1 IFMA membership will be US\$219 per year for professionals and associates and US\$139 for young professionals.

The Tier 2 rate will be US\$176 professionals and associates and US\$139 for young professionals.

The Tier 3 rate will be US\$135 professionals, associates and young professionals and the Tier 4 rate will be US\$120 for professionals, associates and young professionals.

Tiers are based on the World Bank's classification of the world's economies per estimates of Gross National Income.

### **When will this change take place?**

Current members who renew on or after Oct. 1, 2018 will receive the revised rates. All new professional, associate and young professional members who join as of Oct. 1 will also receive the revised rates.

### **Why is IFMA making this adjustment?**

This adjustment will help support the infrastructure that allows us to continue to bring you the opportunities you've indicated are important to advancing your career and profession.

### **When was the last time IFMA adjusted membership pricing?**

The last pricing adjustment was in 2015.

### **How do I know when my membership expires?**

Your annual renewal date is based on your original IFMA join date. You'll receive a renewal reminder email two months in advance of your paid-through date (log in to your My IFMA account on [ifma.org](http://ifma.org) to ensure that your current email is on file and to update your email preferences).

Not sure when you're due to renew? Contact our member services team at +1-713-623-4362 or [ifma@ifma.org](mailto:ifma@ifma.org) and they will be happy to assist you.

### **How will this impact my chapter, council or community of practice membership rate?**

Chapter dues are determined by each chapter based on the votes of the elected board of directors; council and community dues will not be affected. For more information, contact your local chapter leaders or review [IFMA's dues structure](#).

### **How will this impact our organization's group membership rate?**

Group discounts will continue to be based on the number of members at each company and will be applied to the adjusted pricing for the appropriate tier as outlined above. [Learn more about group memberships](#).
