

Mike Petrusky

Mike Petrusky joined iOFFICE in March of 2018 with a mission to energize the company's live events. He is a dynamic speaker, podcaster, and seasoned marketer who has a passion for sharing iOFFICE's unique brand of thought leadership to CRE, FM and IT leaders in the digital workplace. Mike inspires industry professionals with his focus on shared human experiences and workplace connections at IFMA, CoreNet and other industry gatherings.

After more than a decade managing national accounts at a Fortune 500 communications company, Mike founded his DC-based marketing firm "Kayrell Solutions" in 2003 to bring both traditional and new media solutions to the marketplace. In 2015, fueled by a desire to promote workplace innovation, Mike launched Kayrell Connections to uplift the facility management community by encouraging professionals to "Be an FM innovator!®"

Mike lives just outside of Washington, D.C., where he enjoys spending time with his wife and two daughters. He is known for his love of Star Wars, U2, and his alma mater, the Virginia Tech Hokies!
