

Student Application Process

- 1** If you would like to join IFMA as a student member, please send an email to membership coordinator at membership@ifma.org
- 2** Please include a current transcript from an accredited college or university that shows your full-time enrollment status as a student.
- 3** After you proof full time status, the IFMA membership coordinator will send you a membership application to fill out. Please fill out the form completely, including your birthdate and expected graduation date.
- 4** Return your completed application to the membership coordinator for processing. Processing may take up to 5 business days.
- 5** You will receive a membership receipt that contains your payment confirmation.
- 6** Please check your email inbox often for further communications from IFMA welcoming you to the association.
