As of the end of November, the association's membership stood at 23,276 — a net loss of 62 members from the previous month.

The East Tennessee Chapter of IFMA closed the month with net growth of 26 percent. Congratulations to Chapter President Stefan Wankerl, as well as the entire chapter board.

The New York City Chapter of IFMA brought in the most new members, adding 28 members in the month of January. Congratulations to Chapter President James Camille, CFM, as well as the entire chapter board.

The City and Country Clubs Council of IFMA had net growth of 23.4 percent in January, the highest percentage of growth for councils.

The Corporate Facilities Council of IFMA led the way with new members, adding 46 members in the month of January. Congratulations to CFC Chapter President, Steven Pons, CFM, and the entire council board.

IFMA was pleased to welcome 736 new members to the association in January.

Kudos go to the following chapters, councils and communities of practice for showing a net growth in membership of 3 percent or higher:
