**If you have previously logged in**, and don't have your PW, choose "forgot password". You will receive a link to reset the PW. Login. This will take you back to the Manage My Credentials page, but you will be logged in. Click on the CAMP button and you will move into the CAMP program

**If you have never logged into CAMP, ifma.org or the IFMA online learning center**, you will need to register in order to do so.

**If you receive a notice that you must have a valid user email to reset your PW**, this means that your email must be registered and you must create the user. You will need to choose: "**Don't have an account**". This will create an account with the single sign-on program which is used to login. Follow those instructions, using the same email which is in your IFMA record.

### Note:

- If you do not know which email is on file with IFMA, please call 713-623-4362 and a Member Services representative will assist you.
- Do not use your social media account or a new email address for login. Doing so will create a new record that will not contain your credential information.

Once you are logged in, you will again see the "CAMP" button on the Manage my Credentials page. Click on the button and you will move into the CAMP program.
